FACT FILE

Architects Tanya Hancock and Angy Ertel (To1 Architecture & Interiors). **Builder** Collins Integrated. **Joinery** Kitchen World, using two-pack polyurethane in Dulux Lexicon Quarter. **Wall finish** Bisazza Giovanna glass mosaic tiles from Pazotti Tiles + Stone. **Vanity/bath casing** Carrara marble from Mediterranean Marble & Granite. **Bath** Kaldewei Conoduo from Reece. **Basin** Miky 800 rectangular undercounter from Rogerseller. **Showerhead** Ceiling-mounted and recessed Cloud Cover square from Rogerseller. **Tapware** Tonic wall mixer (shower) and basin outlets on horizontal backplates (bath and basin) from Rogerseller. **Towel rails** Kado heated from Reece. **Lighting** Quadro trimless recessed downlights from Targetti Australia. **Speaker** Recessed Bose speaker (in ceiling). **Towels** Missoni. **Flooring** Borai concrete in Sandstone, installed with underfloor heating. For stockists see Address Book.

SERENE SANCTUARY

The play of light on mosaic tiles replicates the movement of surrounding sea.

ARCHITECTS TANYA HANCOCK & ANGY ERTEL

"This bathroom was deliberately restricted in its palette. The mix of whites in the tiles reflects varying degrees of light and colour, creating the perfect backdrop for bringing the changing external elements into the room. The square, simple bath works with the lines and symmetry of the room and the expansive picture window behind it."
